

This course has been the most enjoyable of my classes, and I've learned so much from it. I had no plans to pursue drama at the 200 level, but the enthusiasm from this class has carried through. Prof. Katz is positively inspiring.

I found this to be an educational and enjoyable experience. I truly looked forward to attending lectures, ^{and} I found that I received great feedback, and the teacher was extremely appreciable.

Ms. Katz is a very good teacher. She is very enthusiastic about Drama. Ms. Katz inspired me.

Professor Katz is a great instructor. She is very enthusiastic about the material. She also makes learning fun!

I thoroughly enjoyed Leslie as an instructor and feel I will miss her. She had a very unique teaching style which I found to be very intriguing.

Professor Katz was amazing. Lectures were informative and extremely interesting. Drama class was a good reason to get up and out of bed.

Katz is very helpful with providing additional understandings via emails. She really cares about the students and her care reflects in class through her passion for drama. I really appreciate that she genuinely is ~~concerned~~ concerned for her students and she will be missed much.

Professor made course work + class very interesting and fun to attend to.

Very good prof - engaging - interesting teaching style - provokes deeper level of thought. U of T lucky to have her.

Dr. Katz is definitely the best instructor for this course.

I really enjoyed this course so far. I never thought I'd have so much fun. 😊

Prof Katz bring a true love of theatre to the room and infuses the students with that love.

Leslie was fantastic. An intellectual rapport was established earlier on, and made the class most enjoyable.

Excellent.
Cheers,

Sean

Course material was great, Leslie was very knowledgeable in the way that is needed to teach w. Overall, I thoroughly enjoyed the course especially the scene studies!!

Riveting!

L. KATZ is awesome.

Not only was Prof Katz well versed, her enthusiasm made every class a wonderful, enjoyable learning experience.

Great course, great prof!

The early section of the course was very similar to high school drama which didn't encourage people to attend class but the quality of class discussion and the material discussed improved

Great reading list and truly inspiring, thank you.

Leslie Katz is an amazing teacher. She is full of energy and a love for drama. She makes class fun and at the same time she fills your mind with knowledge. One of the best teachers I've ever had. Only complaint, she's not back next semester.

The course material was excellent, and really enjoyable to read, scene studies made the class more interesting and were a nice change at the end of the week. The Professor obviously cared about the course material, which enriched the lectures. The lectures were fast-moving, and never boring. The criteria on which assignments were marked was not based on analytical merit, so it took a while to figure out the best way to approach the assignments and quizzes.

Katz is one of the most approachable profs. She explains everything well to enthusiasm and at a level where everyone understands. Great lecture experience.

wonderful course.

thanks.

Prof Katz was extremely enthusiastic! The course thus far has been amazing!

Leslie Katz is an outstanding professor. She is an expert in her field, but does not expect her students to be. She is always willing to go out of her way to make EVERYONE feel comfortable and welcome. There is never a "stupid" question to her. I have taken so much ~~for~~ from her lectures and have just thoroughly enjoyed her as a person and a prof. She is exceptional.

Professor Katz did an excellent job instructing this course. She put a lot of enthusiasm in everything we learned and performed throughout the semester. Friday scene studies were a wonderful idea, they not only gave us a chance to explore our creative side but they really bonded the whole class together. The choice of plays for this semester, made a fantastic read. I enjoyed this whole experience a lot. Leslie Katz is a great professor, and we'll miss her a lot next semester.

Sincerely, Aleks Nikolov.

Leslie's presentations + course material are amazing, and her true intellectual attitude + caring nature make this my best class this year.

Katz was great! This course was really interesting and she made it so much better

I really enjoyed the class. It felt like an individual which is a big deal in 1st year at U of T. Thank you Leslie!!!

Leslie always makes a point to concern herself with aspirations inspired by course material but beyond it. She was always encouraging and sympathetic to the individual's curiosity. A teacher who transcends the academic.

LESLIE WAS COMPLETELY UNCONVENTIONAL AS A PROFESSOR, BUT I LEARNED MORE FROM HER THAN I'VE LEARNED FROM ANY OTHER TEACHER. I WAS ENCOURAGED TO THINK IN A DIFFERENT WAY, BE OPEN TO NEW IDEAS AND AUTHORS, AND FILMMAKERS AND PLAYWRIGHTS AND DEVELOPED AN EAGERNESS TO PRODUCE AND CREATE MY OWN MATERIAL AND ART AND FEEL ENTITLED TO DO IT. I AM FOREVER GRATEFUL FOR HAVING HAD THIS EXPERIENCE.

I really appreciated Leslie's knowledge of drama, which I do believe added to my understanding of drama and exposed me to ~~the~~ artists who I might otherwise never have discovered.

Leslie Katz is a unique woman who is dedicated to enriching her students' minds. Taking her class helped me to grow as an actor, a writer, and an individual. This course is about expanding horizons!

Leslie is a fantastic teacher. She gives all her students freedom to explore themselves, and not just the course material.

Leslie Katz is a very creative professor. She presents all material in a very interesting manner.

Fantastic New ~~ways~~ Innovative teaching
Must have an open mind to take this class!

Leslie is a modern teacher
who wants each student
to learn.

it would help if things ^(i.e. assignments) were a little better organized
but all in all great experience!

Leslie provided us with a new way
to learn!

Prof. Katz is a superb instructor; she is able
to find interest + excitement in any material
she teaches.

Prof. Katz ~~is by far~~ has been by far the most influential
and inspiring professor of my University career.

Prof. Katz is not only the most intelligent and
interesting prof I have, but also the most
supportive. ~~She~~ She surpasses all expectations.

Leslie is perhaps one of the greatest resources at the
University of Toronto.

Prof. Katz is very effective as a teacher
and I found that I learned a huge amount
from her class and the discussion within it.

Leslie Katz is an inspiring, attentive professor. She brings fascinating insight to the required work (on the DRM 401 production), sending discussions to deeper levels. She also brings in peripheral material to extend the reach of the ideas at work. An incredible force in the University.

AMAZING TEACHER - GREAT COURSE
WE SHOULD HAVE COURSE READERS
PROF. KATZ IS ONE OF THE FEW TEACHERS
IN THE UCOP WHO IS MOTIVATING, INSPIRING
AND INTERESTED IN HER STUDENTS

Leslie has provided a unique learning environment for her students... An environment that allows for experimentation, discussion, performance, and learning. An inspiring woman, she has enriched our minds and shared with us ~~an~~ ^{her} overwhelming admirable curiosity for knowledge.

Prof Katz is the most influential professor I have had at ^{the} university of Toronto. She is inspiring and endlessly encouraging. JDC 410 should be a full year course.

Leslie is far and away the best professor I have encountered. Her knowledge of the material is spectacular; her enthusiasm CATCHES ON big-time, and she manages to both support and challenge each student, regardless of their approach.

I only wish there had been a full-year course.

- Difficult to say. The course was very all over the place + aims and goals weren't clear and the teacher was very informal - but I liked that! So although everything wasn't like a formal + graded program or course - but although that's different - I enjoyed learning for the sake of learning and enjoying for a change!

Leslie is the best prof. I have had in university so far, by far!!

L. Katz is the best, most enthusiastic prof. I have ever encountered. She has changed my life.
